

Advisory Notice

Considering current Social Health Scenario it is high time to protect oneself and other local contacts. In larger interest It is necessary to take most of care to fight against the **COVID-19** taking the Phase III turn. In response to the call given by the Government and the other Authorities our Organization has decided and switched to "**WORK FROM HOME**" operations **till further notice**.

All the Technical and Support team members have been advised accordingly.

In such a case we shall try our best to maintain and offer the normal services to the end user. Everyone has been advised to coordinate properly with other stake holders. Unforeseen incidental delay if any in such a case is regretted.

We request and expect cooperation from every stakeholder and end user in this demanding situation.

By Advisor Orders.
